St. Johns High School
Testing Out Information

Application Deadline: March 24, 2026
Testing Date: April 23, 2026 7:45-3:00 PM

Testing out gives a student the opportunity to gain credit for a class if the student demonstrates proficiency in the course content. Courses may have a different set of criteria for testing out, which can range from passing the final exam to completing independent work, and/or portfolio assignments in addition to a required final exam. In all cases, a C+ (77%) is the minimum score allowed for passing. Students who earn 77% or better will receive credit on their transcript for that course. Students and parents should note that test out grades will not be calculated in a student's GPA. Students must be officially enrolled in St. Johns Public Schools in order to test out of a course.

Requirements:
1. **Must fill out application**
2. **Return to office**
3. **Once approved, contact teacher and pick-up study material**
4. **Must be available to test on date above**
